

Amendment #1
Port of Ilwaco Bulkhead Project

Pre-bid Meeting

To comply with legal notification requirements, the Port will be setting up an additional date and time for a second pre-bid meeting for the Port of Ilwaco Bulkhead Project.

The second pre-bid meeting will be held on September 10, 2024, at 10 am. The meeting will start at the Port of Ilwaco Office in the board room upstairs at 165 Howerton Way SE and then will move over to the bulkhead area on the West side of the port marina.

If prospective bidders attended the previous pre-bid meeting, they are not required to attend the meeting on September 10, 2024. The questions that were asked at the August 20, 2024, meeting will be answered by our engineering firm as well as any questions asked on September 10, 2024, meeting. They will then be submitted via email to all who attended both meetings. The questions and answers will also be added to the port website, www.portofilwaco.com.

Bid Opening Date

Due to an added pre-bid meeting, the Port will be postponing the Bid Opening Date by one week. The new date set for the Bid Opening Date will be October 2, 2024.

The other requirements still apply.
